FEATURES & DESCRIPTION

SAFE HANDLER Deluxe Welding Gloves with Reinforced Padding, 1 Pair, Black/Red, 16" (15" x 6.75")

DURABLE PROTECTION: Split cowhide leather is ideal for welders, as the material is tough and has superior heat resistance. Keeping your hands extra protected as well as comfortable, these gloves have a cotton blend inside lining.

REINFORCED PADDING: Constructed with reinforced padding, offering extra strength and support for your hands. This additional material on the palm makes these gloves one of your best options for comfort during welding projects!

HEAT RESISTANT: Split cowhide leather is ideal for projects that require extreme heat protection.

VARIOUS ENVIRONMENTS: High temperature welding gloves are ideal for projects which require heavy duty hand protection. May be used in TIG welding, MIG welding, metal works, maintenance, renovation, carpentry, carpentry and workshop environments.

INNER POLYBAG & OUTER CARTON
