FEATURES & DESCRIPTION

SAFE HANDLER Deluxe Work Gloves, Red/Gray/Black, 10.5" x 5.75", 12 Pairs

EXTRA PROTECTION: Soft and durable cowhide leather is utilized for additional protection, offering you more comfort throughout the work day. A rubberized safety cuff is located near the wrist for better safeguarding.

SOFT, DURABLE MATERIAL: Single palm, Grade A split leather is soft, flexible and tough all at the same time. This leather is all purpose and very effective when it comes to general protection in work environments, or construction zones. The cool, cotton lined backing aids in more airflow and improved breathability throughout your glove.

LIGHTWEIGHT & VERSATILE: The last thing you want is heavy gloves when working on machinery or various projects. That's why these gloves are constructed with light materials for a more versatile function. The thick fabric on the fingers and palm have an excellent grip, allowing you and your employees to effortlessly lift and grasp different tools or objects.

VARIOUS ENVIRONMENTS: Ideal for jobs that require light to moderate protection. May be used in industrial, construction, carpentry and manufacturing environments.
