PRODUCT DESCRIPTION

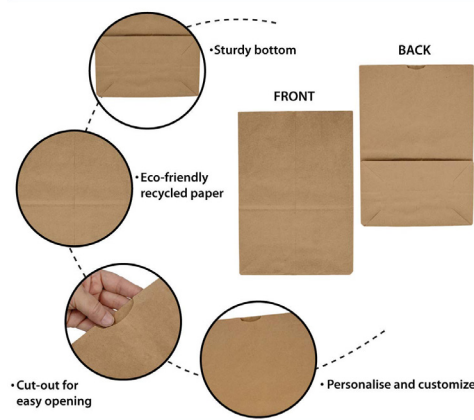

Kleen Chef Kraft Paper Bags are durable and eco-friendly created for a variety of uses and are made of 40% recycled materials. The bags are folded and do ship flat for maximum space saving and protection of the product. The edges are scalloped with a half circle cut-out for easy opening and separating from groups of bags. They are a convenient size for carrying groceries, similar to any local grocery store sized bag. Brown paper bags are needed for a wide variety of uses, including general carrying of an assortment of items, food take out, carrying groceries, holding recyclable papers and broken-down boxes. Also, brown craft paper bags are great for art projects and gift wrapping. Young children make vests, paint and color on them. After school programs and teachers use brown paper bags to keep students' belongings separated. Since Kraft Paper Disposable Brown Bags are not labeled or marked in any way, you are at liberty to completely design and create a custom bag of your own. Individualize with names, brand it, stamp it, paint or color on it, it's completely up to you!
