## FEATURES & DESCRIPTION

ZAYAAN HEALTH Kids Digital Thermometer – Brown, Pink and Green

**FUN, SIMPLE TO USE:** Clear LCD display with a fast reading response and high accuracy. Comes in fun characters with a flexible probe

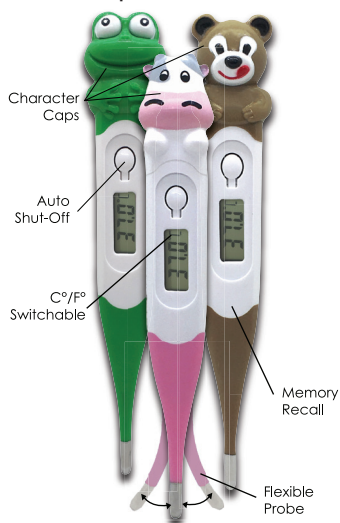

**SELECT YOUR TEMPERATURE:** Temperature readings are available in the Celsius (°C) or Fahrenheit (°F) scale

**USE IN VARIOUS ENVIRONMENTS:** Suitable for numerous home and physical activity applications which require reliable monitoring of a person’s oral, rectal, or armpit temperature

**ACCURATE MEMORY STORAGE:** Thermometer stores the last measured value

Kids Digital Thermometer is designed with fun battery cap colored characters like Pink Cow, Green Frog and Brown Bear. Includes a flexible probe to ensure ultimate comfort when inserted. The memory recall function stores the last measured value for easy reference. Kids Digital Thermometer is specifically designed for safe use orally, rectally or under the armpit. Temperature readings are available in the Fahrenheit or Celsius scale (C°/ F°); located in the upper right corner of LCD.

Hospital, home care, school, first aid, elderly care, athletics or paramedics - no matter the job, your thermometer is suitable for numerous home and physical activity applications which require reliable monitoring of a child’s temperature.
