## FEATURES & DESCRIPTION

**SAFE HANDLER Premium Work Leather Gloves with Extra Leather Knuckle Protection, Red/Black, 11" x 5.5", 12 Pairs**

**LIGHTWEIGHT & VERSATILE:** The last thing you want is heavy gloves when working on machinery or various projects. That's why these gloves are constructed with light materials for a more versatile function. The thick grain leather offers an excellent grip, allowing you and your employees to easily lift and grasp tools or objects.

**EXTRA PROTECTION:** Thicker material for more shielding protection! Extra leather has been added to the knuckle for additional defense in protection. A 3" safety cuff can be found near the wrist of the glove. This safe guards your hands and wrist for better protection with a wide opening to aid in improved airflow & ventilation.

**EXCELLENT DURABILITY:** The combination of red fabric, leather and elastic used is ideal for jobs that require ultimate knuckle protection and hand protection. Whether you're moving or heavy lifting, these gloves will keep their quality over time.

**VARIOUS ENVIRONMENTS:** Ideal for jobs that require pressure on knuckles and back of hands. May be used in heavy lifting, maintenance, renovation, moving, carpentry and construction environments.

## INNER POLYBAG & OUTER CARTON
