FEATURES & DESCRIPTION

BOOSTS CIRCULATION - Anti-fatigue compression trouser socks help increase blood flow, moving in an upward direction for decreased swelling and improved circulation. Great for relieving symptoms of Varicose Veins

ULTIMATE COMFORT - Ideal for being on your feet, sitting or standing all day, and traveling without aching of legs and ankles

SOOTHING & REVITALIZING – Gentle, soothing construction for relief in painful joints, legs & feet. Energizing effect to keep you up on your feet for longer hours of the day

GRADUATED – Designed to direct circulation upward for improved and increased blood flow

CONTROL ODORS – Kick off your shoes with confidence! Antibacterial for all day use. Odor & moisture resistance helps control

INNER POLYBAG & OUTER CARTON
