FEATURES & DESCRIPTION

SAFE HANDLER: Advanced Honeycomb Technology Back Brace, small/medium

DESIGNED FOR COMFORT: Allows for full range of movement while providing comfortable support, while the breathable mesh panels release excess heat and moisture creating increased airflow

EASY TO ADJUST: High quality stitching and Velcro provides the best possible compression with a customized fit

BUILT FOR SAFETY & PROTECTION: The heavy duty fabric is designed for a custom fit to minimize slipping and bunching, while preventing and reducing back pain

USE AT HOME OR AT WORK: Provides lower back and abdominal support for light construction, landscaping, movers, bricklayers, warehouses and more

INNER POLYBAG & OUTER CARTON
