FEATURES & DESCRIPTION

SAFE HANDLER Diamont Vented Over Glasses Safety Glasses, clear, 144 pairs.

BUILT FOR COMFORT & VENTILATION: Fits most head sizes comfortably without slipping. Ventilated temple joints work great for increased airflow, keeping you cool throughout the day.

OVER GLASSES FIT: Works with and without prescription glasses. Simply slip on over glasses so that you can see clear in any situation.

FULL COVERAGE PROTECTION: Full coverage 99% UV protection to safeguard you from splashes or falling particles. Molded side shields help for all around visibility and a high level of direct and peripheral eye protection from flying particles or debris.

USED FOR VARIOUS ENVIRONMENTS: Whether it's automotive, construction, painting, laboratory work, industrial, or carpentry – these glasses will have you covered and protected from splashes, dust, etc.!
