

## Nitrile Firm Grip Work Gloves

- Automotive
- Maintenance
- Masonry
- Carpentry
- Construction
- Renovation

AVAILABLE COLORS

## FEATURES & DESCRIPTION

- Lightweight & Durable
- Breathable Lining
- Fitted Wrist
- Non Slip Nitrile Grip
- Abrasion Resistant

Safe Handler® Nitrile Firm Grip Work Gloves are designed with a soft polyester and coated with a non-slip nitrile grip. The nitrile coating is utilized for abrasion resistance and an ultimately firm grip. These gloves are lightweight and durable for any job that requires a good grasp on materials or handles. A breathable lining serves great purpose in airflow and breathability for your hands. Stay securely fastened in your glove with the fitted wrists that are great for fast wear and removal. One size fits most.

For various environments including Automotive, Maintenance, Masonry, Carpentry, Construction or Renovation - no matter the job, your hands will be in good shape and have you covered with SAFE HANDLER® gloves.
