FEATURES & DESCRIPTION

Safe Handler professional HDPE full Brim hard hat, hunter orange

Built for durability and protection: HDPE material provides strong, yet ultra-light protection. Full Brim wraps around the helmet to provide extra protection from rain and sun. The ratchet suspension is easy to adjust and allows the wearer to easily modify the fit while wearing hardhat.

Lightweight: constructed from high density polyethylene, The shell is lightweight for less pressure and weight sitting on your head and neck throughout the work day.

Better breathability: vented to allow more breathability and Airflow to your head. *Includes a replaceable Sweatband.

Used for various environments: great for industrial, electrical, utility and energy applications.
