FEATURES & DESCRIPTION

SAFE HANDLER Supreme Rigger Gloves, Red/Gray/Black, 10" x 5.75", Pack of 3 Pairs

EXTRA PROTECTION: Soft and durable grade A leather is utilized for additional protection, offering you more comfort throughout the work day. Extra protection on finger & thumb is ideal for long project that require use of hands. A durable 3" safety cuff is located near the wrist for better safeguarding and coverage.

SOFT, DURABLE MATERIAL: Grade A split leather is soft, flexible and tough all at the same time. This leather is all purpose and very effective when it comes to general protection in work environments or construction zones. The cool, cotton lined backing aids in more airflow and improved breathability throughout your glove.

LIGHTWEIGHT & VERSATILE: The last thing you want is heavy gloves when working on machinery or various projects. That's why these gloves are constructed with light materials for a more versatile function. The thick fabric on the fingers and reinforced palm have an excellent grip, allowing you and your employees to easily lift and grasp different tools or objects.

VARIOUS ENVIRONMENTS: Ideal for jobs that require light to moderate protection. May be used in industrial, carpentry, construction, and manufacturing environments.

INNER PACK & OUTER CARTON
