FEATURES & DESCRIPTION

SAFE HANDLER Tough Pro Grip Gloves - Black/Gray/Red Tough Pro Grip Gloves S/M, L/XL

NON-SLIP TEXTURED GRIP: These high-performance Tough Pro Grip Gloves are designed for use in various jobs that require slip resistance such as automotive or carpentry. This new technology offers a better hands-on experience for you and your team!

KNUCKLE GUARD ULTIMATE PROTECTION: Thanks to their rough grip and protective reinforced padding, these gloves offer supplementary comfort when leaning or putting weight on your knuckles. Heavier protection will allow you to work longer and keep you protected and more comfortable until the job is done.

EASY ON & OFF: Wide cuffs are added near the wrist for ultimate convenience and comfort in slipping them on and off throughout the day.

USED FOR VARIOUS ENVIRONMENTS: These excellent shielding gloves are used for various environments whether it's automotive, carpentry, maintenance, construction & more!

INNER PACK & OUTER CARTON
