## FEATURES & DESCRIPTION

- Simple model provides face protection
- Easy to use strap for securing and removing
- Equipt with foam padding for forehead comfort
- Works best in conditions were dust and splashing posses a risk
- Is a disposable product with multiple use options

Disposable safety face shield with non-fogging properties. Offers full facial protection from droplets, saliva, splash, oil, and dust.

Our disposable non-fogging face shield is soft and comfortable and will not hurt your head even after wearing it for long periods of time. Mask folds for convenience to put away when not in use. These masks can be worn multiple times but we suggest cleaning after each use.

# PRODUCT DETAILS

ZAYAAN HEALTH Face Shield, Clear/Blue, 300 Pack (Adult)

**SAFETY & FUNCTION:** Our Face Shields were designed with function and safety in mind. Offering full facial protection from respiratory droplets, saliva, splash, oil and other airborne debris, or liquids. They are CE Certified and are designed to be reusable and disposable. They can be worn multiple times, please follow appropriate guidelines and precautions to ensure sanitation and continued personal safety.

**ECO-FRIENDLY & RECYCLABLE:** Our face shields, including the comfortable sponge padding, is made with eco-friendly and recyclable materials. PET (polyethylene terephthalate) is the most recyclable plastic and these face shields can be recycled after proper precautions have been taken to disinfect them before recycling.

**USAGE & SIZE:** One size fits most users comfortably. Works best in conditions where personal facial protection from liquid, splashes and droplets is needed. Uses include: dental, healthcare, laboratory, construction, carpentry, industrial, maintenance, personal protective equipment, etc. \*Can be worn with most safety glasses, and other filtered partial facial masks.
