PRODUCT DETAILS

ZAYAAN HEALTH Simone Fully Adjustable Temple Safety Glasses, Anti Scratch-Fog, For Men and Women

Simone Safety Glasses offer a sleek design and are more modern than most traditional safety glasses. These safety glasses are lightweight and come with cost-effective features. The flexible temple extension helps achieve a comfortable, custom fit. Elements such as a uni-lens, adjustable temple, built-in side shields, anti-fog, and anti-scratch coatings help make this an easy choice for quality, comfort, safety, and visual appeal. Thanks to the thin, flexible frame with adjustable temples for a custom fit, you can wear these glasses for hours.

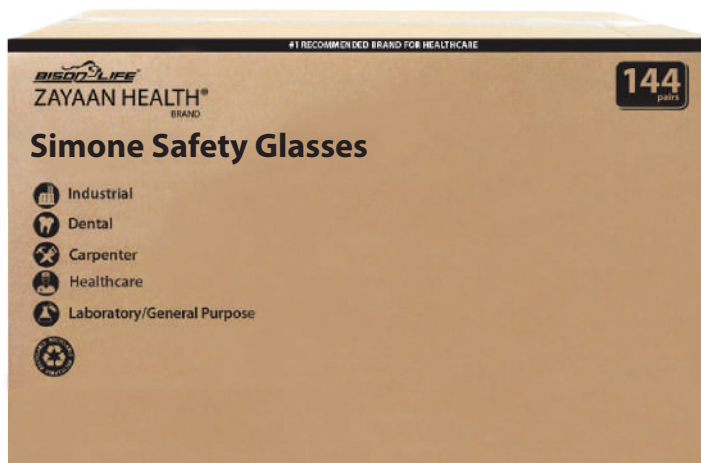

PROTECTION & COMFORT: Incredibly lightweight, all-around eye protection with ANTI-SCRATCH, ANTI-FOG, for optimal protection with no distortion. The adjustable temples help provide a custom fit, while the wrap-around lens features built-in side shields for direct and peripheral eye protection from flying particles, debris, and water droplets.

USED FOR VARIOUS ENVIRONMENTS: Safety glasses help prevent potential harm and injury to eyes at home or on the job. Uses include but are not limited to PPE eyewear, Personal Protective Equipment, Computer work and gameplay, Screen time Glasses, Industrial safety, dental industry, healthcare, carpentry & woodworking, lab work, painting, construction, and general-purpose, etc.

ONE SIZE: Fits adults, teens, and older children.
