

Doctors helping doctors  
through continuing medical education  
since 2001

101 - 7389 Westminster Hwy  
Richmond BC V6X 1A1  
604 273 9404

Minoru Medical Education Society cordially invites **all physicians** to this virtual webinar presentation:

## **Anemia in 2022 - Diagnosis and Treatment**

### **Learning Objectives:**

1. The pathogenesis of anemia and its many potential causes
2. The diagnostic tests available and investigative methods used to diagnose and classify the anemias
3. The usual treatments for anemia once the precipitating factors are addressed
4. A special section on the value, indications, and methods for delivering “iron infusion therapy” in the treatment of anemia

### **Speaker: Dr. Stephen Parkin MD, FRCPC**

- Clinical Assistant Professor Medicine UBC
- Staff Hematologist VGH
- MD University of Calgary
- Internal Medicine and Hematology Residency UBC
- Bone Marrow Program U of T

Facilitated by: Dr. Michael M. Myckatyn
