# Family Cycle Safari in Malawi

6-16<sup>th</sup> April 2020

A gentle introduction to Africa, by bike, for families or individuals.

Join us for this unique opportunity to experience amazing African wildlife, bush breakfasts, a water safari, giant baobab trees and ancient cave paintings.

You will also be able to visit some of the Charity's development projects: orphan schools, health clinic, permaculture garden... and sleep in an African village.

**Total distance:** 250km (cycling 50km per day, with rest days built in..)

**Level of Cycling:** Easy to Intermediate
