WHAT TO TAKE FOR YOUR PET

Taking A Pet Along?

10 ESSENTIALS FOR CAMPING WITH PETS

When we went camping in our RV, we always had a dog or two with us. It's very important to bring along the essentials for your pets. You will need these things the most.

1. Leashes, collars they can't escape out of, many times this saved my dog's life.
2. Shot record (some parks require it)
3. Small fencing for when you're sitting outside if you have little dogs.
4. Water bowls, water container
5. Food
6. Food dishes
7. Poop bags, please pick up the poop.
8. Kennel for each dog. You will have to crate them at some point on your journey.
9. Towels to clean their feet before they come inside, rug for outside.
10. Treats! Don't forget these.
