

Psalm 91

CHAPTER 45

Moreover, when ye shall divide the land for inheritance, ye shall bring an oblation unto the Lord, ye shall take a shekel of silver for an oblation of the land: the length shall be five and twenty thousand cubits, and the breadth shall be ten thousand cubits, holy in all the borders thereof. The square shall be five hundred cubits in length, and five hundred cubits in breadth, square round about for the altar.

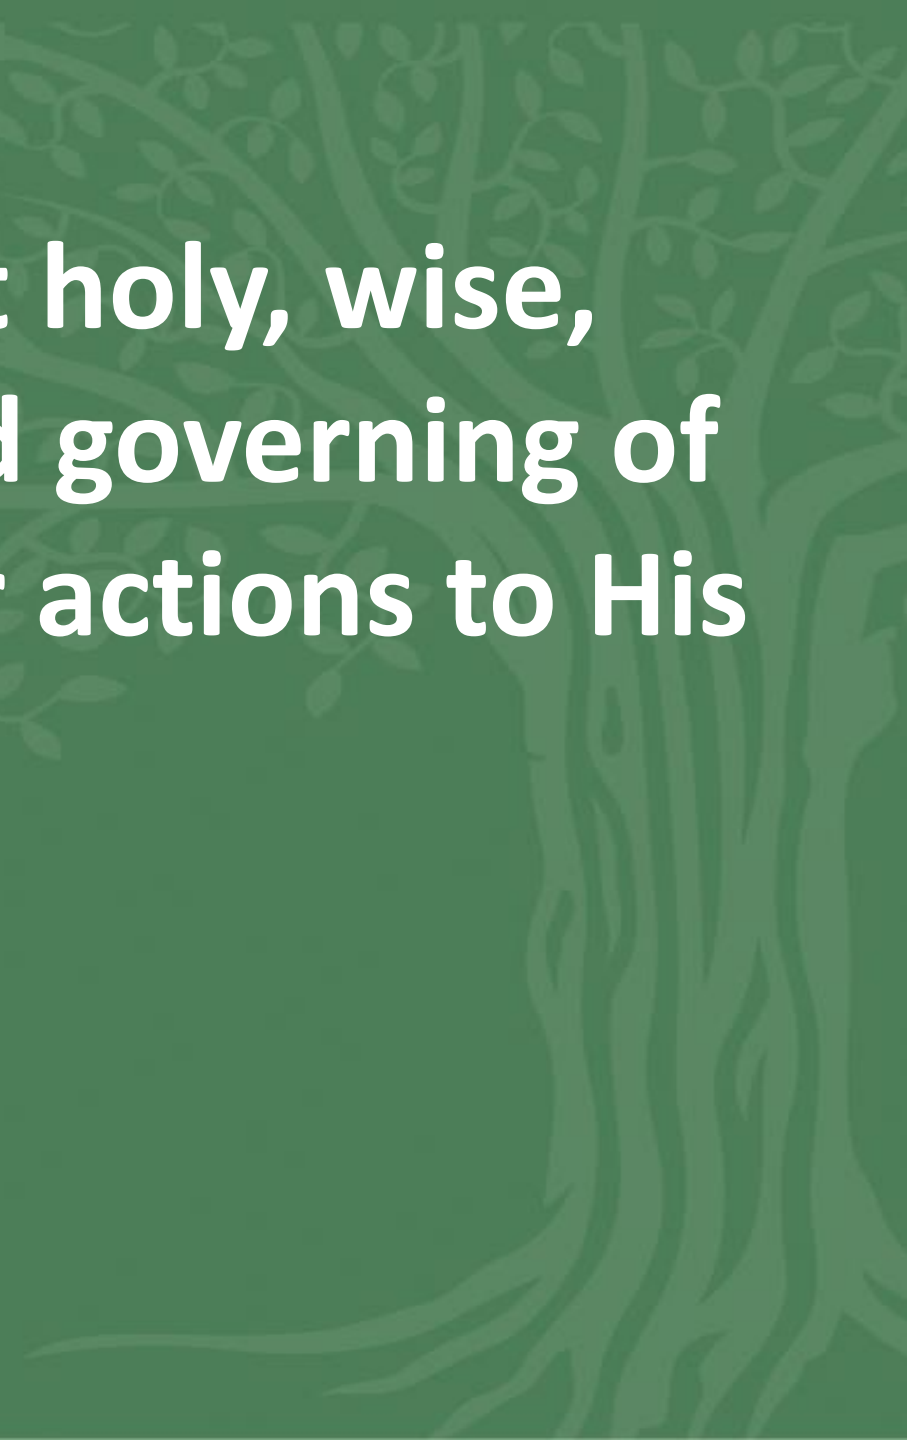

2 Of this there shall be for the altar a square of five hundred cubits in length, and five hundred cubits in breadth, square round about for the altar.
