Micro-Course: The Life of the Mind and the Mind of Cultures

- **Think: The Life of the Mind and the Love of God** (John Piper)
 - ▶ For those of you who might like to add this resource to your personal library, it is available for free as a PDF from DesiringGod.org. The link is below.
 - [Free PDF download](#)
 - ▶ I have found two excellent summary reviews that are an easy read to inform a basic understanding of this resource.
 - [Review by Mike Pohlman \(The Gospel Coalition\)](#)
 - [Review by Derek R. Iannelli-Smith \(Random Discerning Muses...\)](#)
- **The Soul: How We Know It's Real and Why it Matters** (J.P. Moreland)
 - ▶ This first link is a very concise presentation summarizing the content of this resource. It is written in an interview format with J.P. Moreland.
 - [Books at a Glance - The Soul](#)
 - ▶ These next links provide both excellent summaries and reviews of the resource. The second article goes into slightly more detail.
 - [Review & Summary by Paul Adams](#)
 - [Review & Summary by Michael Lepien \(Literary Nachos\)](#)
- **Scientism and Secularism** (J.P. Moreland)
 - ▶ This first article is a good summary of this resource.
 - [Books at a Glance - Scientism and Secularism](#)
 - ▶ Here are two reviews of this resource. Both articles are helpful in providing summary information and key points made, but also make some critical comments about the presentation and arguments made, so are worth a read through the lens of exposing weaknesses.
 - [Review by Journal of Biblical and Theological Studies](#)
 - [Review by J.W. Wartick \(Reconstructing Faith\)](#)

Micro-Course: Gospel Grounded Counselling - the resources linked here are mostly for summary, not review.

- ***Grace for the Afflicted*** (Matthew Stanford)

 - ▶ [Summary & Review by Notes from the Fallen](#)

Micro-Course: Persevering Faith

- ***The Race Set Before Us: A Biblical Theology of Perseverance and Assurance*** (Thomas Schreiner and Ardell Caneday)
- I have copied links to two articles. The first is a fairly detailed summary and review of the book the micro-course required. The second is a more concise summary of the position, but is a summary of a follow-up book, ***Run to Win the Prize***, written by Thomas Schreiner, to clarify the misconceptions of the previous book. Either of them presents a good summary.
 - ▶ [Review & Summary by Robert N. Wilkin \(Journal of the Grace Evangelical Society\)](#)
 - ▶ [Books at a Glance - Run to Win the Prize](#)
