

TECH TIPS: USEFUL SUMMARY RESOURCES

There are a lot of reading resources associated with these latest micro-courses. Here are some links to resources that will provide an overview summary of the current primary reading resources attached to the Winter Session micro-courses.

NOTE: The “booksataglance” resources require logging in using the Northview login credentials. Contact Stephanie if you require assistance.

Take note that Reading assignments accompany each of the micro-courses. Again, one of the challenges the mentor faces is gaining an adequate familiarity with the primary resource content to engage and evaluate student critical interactions and analysis. Here are some links to resources that will provide an overview summary of the current primary reading resources attached to this Fall's micro-courses.
