Title of Sermon: Unexpected Unbelief

Passage: Romans 9:1-5

Intro -

- 1. What kinds of things have you been near to but not gained a love for? For example, I grew up around horses but really can't stand them now.
- 2. Why does nearness to something that other people love not necessarily lead us to love it too?
- 3. What is necessary to help pass on a love we have for something, to others we want to love that thing as much as we do? What kinds of things do we do that will lead them *not* to love it?

Sermon Points -

- 1. Unexpected Unbelief Happens
 - a. Why do you think so many of the people of Israel rejected God (Jesus) after following God for so many years of their history?
 - b. Why do people reject Jesus in general?
 - i. Are the reasons different for those who have grown up in the church?
 - c. If you know of a person who once followed Jesus, but now does not, <u>reflect</u> on what happened with them.
 - i. What led them to leave?
 - ii. What would be required for them to return?
- 2. Unexpected Unbelief Hurts, but is not Hopeless
 - a. How would you counsel someone who has friends or loved ones who have walked away from the faith? What encouragements can you offer them from Scripture?
 - b. The three pastoral encouragements given in the sermon were (1) Remember God keeps those who are his, (2) Don't get stuck in a moment, and (3) Keep praying.
 - i. Which of these is most helpful to you?
 - ii. Which is least?
 - iii. What questions arise in your mind in response to these three encouragements?

OPTIONAL: Was there anything not discussed that stuck out to you from the sermon?
